Dated, Tumkur, the 4th March 1927,

Copy of letter No. 1103 dated 23-11-1926 from the District Medical officer, Tumkur District to the President, Tumkur Town Municipal council, Tumkur

" I have the honour to state that the services of the midwife attached to the Female Dispensary , Tumkur, who is at present attending to labour cases in the Town in addition to her own work in the Dispensary and some times goes to villages for attending to labour cases,are quite inadequate to meet the demands in the town extensive in area like Tumkur It is highly desirable that a municipality of the type of Tumkur should possess a municipal midwife of its own as other big municipalities possess

I, therefore,request to kindly put the same subject before the Board for their kind consideration at the next meeting
